<sup>1</sup> Percent change in number of pending sales this year compared to last year. The Current Month section compares January 2022 with January 2021. The Year-To-Date section compares 2022 Year-To-Date statistics through January with 2021 Year-To-Date statistics through January.

<sup>2</sup> % Change is based on a comparison of the rolling average sale price for the last 12 months (2/1/21-1/31/22) with 12 months before (2/1/20-1/31/21).

<sup>3</sup> Total Market Time is the number of days from when a property is listed to when an offer is accepted on that same property. If a property is re-listed within 31 days, Total Market Time continues to accrue; however, it does not include the time that it was off the market.

**AFFORDABILITY** - According to a formula from the National Association of REALTORS®, buying a house in the Portland metro area is affordable for a family earning the median income.
